

Encouraging Faith

From now on this newsletter will be written once a year - it will be produced in the autumn and contain an update on our ministry and news of our family. Most of you will receive it by email, but we are printing hard copies for those who want them, and also to give away on our travelling ministry. At other times of the year, when we have important things to communicate, we will use email.

Word for the Week

We make contact with about 2000 folk each week through our weekly message. Our aim is to encourage, to stir faith and to give you something to help with the challenges of every day life. We really appreciate the feedback that you give us as many of you email back your response to the latest "Word". The reason we have not included teaching messages in this newsletter is that most of you are getting one from us every Wednesday!

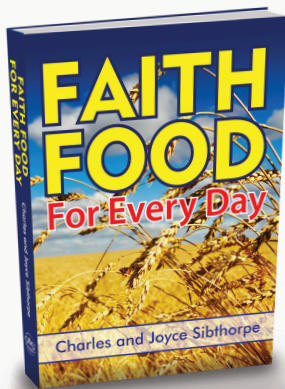

If you use email, but are not yet on our list, this is what you need to do - go to our website www.charlesandjoyce.com and on the front page you will see a sign-up box, enter your name and email address and you will get an email from us every Wednesday with a new "Word for the Week".

Faith Food for Christmas

Our latest book, a daily devotional, "Faith Food for Every Day" has been very well received. We get a constant stream of folk telling us how it is bringing them messages each day which seem to be 'tailor-made' for their current life situation. It will make an ideal gift at Christmas, or at any time. Buy a copy and bless someone special. It is a top class colour production and once you have handled it you will appreciate its quality. We need your help - if you have been blessed by this book - recommend it to your friends or give it to them as a gift. You can buy it at

our website www.charlesandjoyce.com/pages/products

Family Update

On pages 3 & 4 we will bring you up to date with our family. The big news that we shared last year was the Coralie, Jens and their six children were relocating from Germany to England. They have arrived and are living in Guildford. More details on page 4.

Travelling Ministry

This has been a busy year with Joyce speaking at a Ladies Conference in Turkey, several visits to Highway Church in Bicester, teaching at the Teen Challenge School of Ministry in Leicestershire, and taking a Seminar in Frankfurt Germany, as well as various other teaching and preaching opportunities - More details on Page 2.

Trip to Australia and the Philippines

In January 2014 we will be going first to Australia and have a couple of weeks with Ben, Anne and their 5 children in Mareeba, also a week with Joyce's sister Audrey and her husband Bill, before going to the Philippines to spend two weeks in Iloilo with Victor & Sally Fernandez, together with a group of 15 from Living Waters Church and also visiting Victor Jnr. and Rosilee who are pastoring a Church in Manila.
