

PRAYER ~ *that opens new doors.*

This year at Living Waters Church we have started something new. Each month we are having a Prayer Evening situated in a different location and led by the Life Groups in that area.

It has been very stimulating, each time there has been a fresh flavour and different emphasis. On one evening we focussed on praying for law and order and those in authority, on another there was time for praying for personal needs and receiving communion. Every fourth month the whole church family gathers including the children. We seek to demonstrate to all ages that prayer is exciting. In April we concentrated on mission and those who we support around the world.

One evening stands out in my mind, a large basket was placed in the middle of the room, in it there were plants, flowers, chocolates, specials cakes and all sorts of things given by individuals from the Life Groups. After we had prayed for our neighbours and contacts, we then were encouraged to take a gift from the basket and find the right moment to give it to the person for whom we were praying. Joyce and I knew God was speaking to us about having the folk next door in for a meal, so we selected some chocolates and a few weeks later shared them with our neighbours.

Our prayers can be so selfish – it is good to widen our vision and also become part of the answer.

FAMILY UPDATE ~ *in Brief*

We spent Christmas and New Year in Germany with Coralie, Jens and our family. The highlight of our time was the birth of Jaden Sam Mankel born on 3rd January, he is their 6th child, our 17th grandchild. We had a lot of fun including tobogganing in the snow. If you want to see us – go to YouTube and search for – Fun in the Snow Kronberg.

Jo and Iain, Molly, Reuben and Theo are moving to Cornwall in the summer holidays. Iain is transferring to the Crown Prosecution Service in Truro where he has been recruited to concentrate on Court work. Please pray for their house sale here and the right house to be found in Cornwall.

Ben, Anne and family are about to fly out to Australia – the visas have just been granted and they will be on their way in early June. They returned from Chad in mid April, have now completed their medicals etc. and are really looking forward to working with Mission Aviation Fellowship in Mareeba, North Queensland. Another piece of news - Anne is expecting their 5th child in September – grandchild No 18!
